Friday afternoons bring out spirit

"The pep assemblies of this year," commented Michele Moreno, "are more fun, not boring, riled up and all-out rowdy." The pom and cheer line brought out the animal that had been trapped in everyone, for some more than three years.

The skits performed by the football team and pom and cheer line entertained the entire student body. The Pinata breaking may have been the start of a new tradition. Friday afternoons the crowds awaited the toss of candy, and the class with the loudest yell won prizes of miniature footballs.

They get involved throughout the rest of the year by cheering at the pep assemblies and attending school games to keep the spirit alive.

Among other activities occurring at school were the Junior class candy sale for the funding of the junior-senior prom and the student council's donation of \$300 to the United Way Foundation. "The activities were fun; students react well to them and teachers are helpful and understanding," said senior Mitch Cornell.

Drama Club performs with style and class

The two plays performed by the AF drama club this year, "Paint the Town Pink" and "Flowers for Algernon" were produced and directed exceptionally well. "Mr. Judge, the newest drama instructor has done an outstanding job with the drama students in the short time he has been here at Agua Fria," commented a student from the senior class.

The drama club has always been very popular with students at Agua Fria and has a reputation for being outstanding at entertainment. This year's students were no exception. The two plays performed by the drama club were done with much professionalism, and were given compliments from everyone.

Hard work pays off for Thespians

The Thespians Club was named after the Greek actor Thespis. The club was formed many years ago in memory of this great actor. For many years, Agua Fria members of the drama club have strived to accumulate enough hours by working in plays, in front of or behind the scenes, to be eligible for initiation into the prestigious Thespians Club. Returning Thespians this year were David Hunt and Eric Braverman; new members included Shari Hayes, Rhea Flenner, Norma Lowe, Nicci Beaumont, Rhonda Lawson, Mitch Cornell and Tim James.

Band of Owls Marches to Success

This year Agua Fria's Marching Band of Owls made a drastic change to a corps style. This included a renovation of the uniform, a total change in marching style and a conversion of the pom pon line into a dance corps. "I think the new look really makes a positive difference. It modernizes our band," said one of the members. During the football season the band performed during every halftime and for the pregame show at most of the away games.

At mid-football season the band com-

peted at the Northern Arizona University Band Day. They received the rating of '2' and became eligible for the state band festival. This year the band performed at the State Fair, Rodeo of Rodeos parade and many other parades. They also conducted a cheese and sausage sale in order to go on tour to California. The band is conducted by John Faris, the flag corps by Ms. Leslie Anderson and the dance corps by Mary Conway.

Council directs band with dignity

This year's band council has done a great job, along with the support of Mr. Faris. The band performed at football games. It was a major task for the council to keep the band together with least amount of problems possible. The band council is credited with satisfaction of having a well performing band.

Hootin Dandies play for spirit at games

The name Hootin Dandies originated from a television show back in the 60's. Throughout the basketball season they supported the team by playing at every home game and raising the morale of the Agua Fria fans. Since the Hootin Dandies are all volunteers, credit should be given to Mrs. Leslie Anderson and her players for the great support they have given to the basketball program.

Drummers Pace Marching Band

The drum corps were an important part of the band and displayed outstanding spirit that crowds enjoyed at all football games. They led the band with excellent precision and skill and displayed a professional manner at all times. Besides showing spirit at games, the drum corps also aroused excitement from Agua Friars at the assemblies. At assemblies or games you can be sure to hear Agua Fria's Drum Corps beat their drums with pride.

North Campus breaks shells, Baby Band of Owls created

This year's freshman band was composed of 34 members. The members sign up each year when they register for their classes. But to ensure that the band has quality sound, the registering students are required to have previous playing experience. After the band has been formed, their many activities include performing at freshman pep assemblies, playing with the varsity band at South Campus pep assemblies, performing at concerts with the Varsity Band and choirs and during parades the band performs again with the Varsity Band. Even though the Freshman Band has not been involved in any competition this year, it is considered by the members as a year full of experiences. As one freshman

stated, "I can't wait until next year, I mean if Freshman Band is this much fun then South Campus with varsity and the activities must be great."

The Freshman Band played a variety of music. It reflected the capabilities of our Baby Owls as they performed. The music played by the band ranged from John Philip Sousa to more contemporary composers. All in all, Mr. Farris enjoyed working with the band as he stated, "I feel that they have played quite well." As the incoming freshmen look forward to belonging to Varsity Band and their performances, Mr. Farris will prepare for a new batch of Baby Owls to break the shells.

This year's Concert Choir was very successful in making their hootin' music known. Although, the group quite a bit smaller than last year's, Auga Fria is represented well in the many field trips and concerts attended this year.

This year's Flag Corps added a lot to the half-time show at this year's football games. "Miss Anderson did a tremendous job in training and directing the Flag Corps," a member stated.

Practices were strenuous and required a lot from us. Miss Anderson put in much of her time too, which made us more dedicated," said another member of the 1982-83 Flag Corps.

Art club gets in the picture

This year's Art Club achieved many goals towards improving the quality of art on campus. Tye Art Club participated in such functions as Youth Art Month and Capital Art Day. They also decorated a car for Homecoming.

The Art Club learned more about art by touring museums and galleries. The spring trip was to Tlaquepaque in Sedona, an exact replica of the artists colony in Mexico.

Speech competes, achieves goals

The Speech Club spends the entire year preparing for their greatest competition, the AIA District Speech Tournament, by entering smaller local tournaments.

Through the Speech Club the members practice discipline and commitment. We spoke to Mitch Cornell, president of the Speech Club, and she said, "We really learn a lot in this club and we have fun too." "It is one of the few clubs on campus that anyone can join regardless of intellectual or athletic ability," said Ms. Ziobrowski, the club sponsor.

Agua Fria celebrates 28th proud homecoming

This year homecoming proved to be, as one student said, "As exciting as ever." Some other opinions are, "It was great!" exclaimed Guillermo Zuniga and as another senior commented, "The seniors started a little late, but we had lots of fun in getting our victory."

This statement is quite true in fact that the seniors had a late start but in the end came out #1 over all. The juniors came in with a close 2nd and the sophomores and freshmen tied for third.

The Royalty Parade was exceptionally, "outstanding!" one student exclaimed. The parade was led by the homecoming royalty which were escorted with classic luxury Mercedes Benz 450 SL's. The floats were escorted by Corvettes.

Overall the 26th homecoming at Agua Fria was an event to remember.

It takes a good grade point average, school participation and admiration among teachers and friends to be recognized as these people have. They have been devoted to school, not only academically but spiritually as well and are being rewarded by this recognition. First at last

The 1982/83 season was a good year as the team went undefeated. The team's hard practice and training was seen as the Owls began the season seventh in state and slowly moving into the position of third in the state. Because Agua Fria was defeated by Maryvale during the first round of playoffs, they were unable to become number one in the state.

This is the second time since 1964 that the Owls have gone undefeated. The three co-captains were selected by the teammates, they were quarterback Shawn Gilbert, lineman Danny O'Dea and running back Glenn Rogers. Rogers broke the record of the most

touchdowns made in a season. The record was held by Bob Lueck in 1960 with seventeen touchdowns, and Rogers completed nineteen touchdowns this season. Also, Rogers set a AAA state record with 358 yards and six touchdowns in the game against Carl Hayden.

"The key to winning this year was the coaching staff and the team's pride. Coach Lavin had set rules at the beginning of the year and teammates followed them and this was the key to success", said Gilbert.

The Owls ended the season with the score of 9-1-0, the best since 1964.

Coach Bogen inspects the game.

Game 10 49-12 Arcadia

Running back Vince Lopez's outstanding performance gave the Owls four TD's. Roger's scored three TD's and Batts scored one TD.

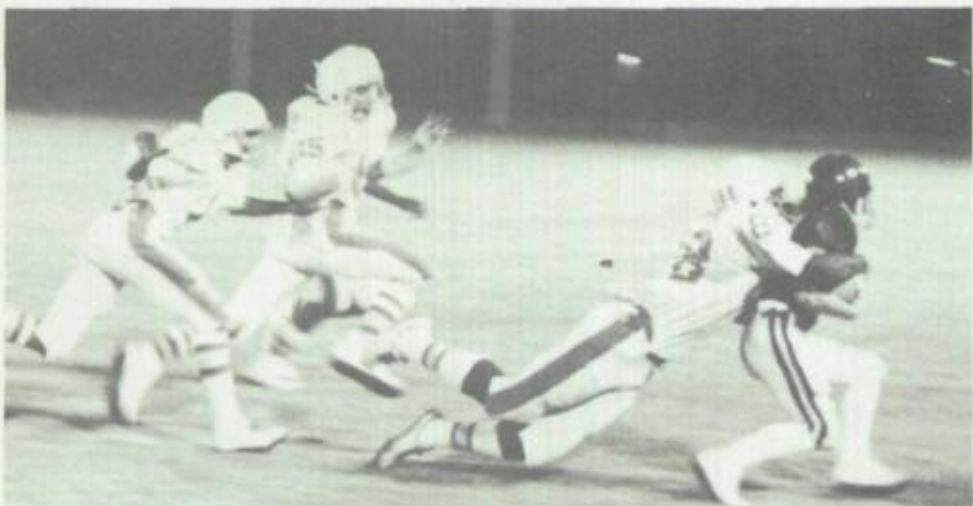

Game 1 14-0 Cortez

Rogers, a quick-footed tailback, racked up 151 yards for the night, and scored both touchdowns. An 80-yard drive was guided by Gilbert about halfway through the second quarter. Rogers scored on a 25 yard run and a 60 yard run.

Game 9 41-7 Tolleson

Rogers led the Owls rushing for 210 yards and two touchdowns, consisting of 67 and 64 yards. Lopez scored on a 61 yard run and caught a 23 yard touchdown pass from Gilbert.

Game 8 49-3 Glendale

Gilbert throws for five TD passes totaling 173 yards in the first half. Gilbert threw a 68 yard pass to McDaniel to complete a TD, and another 12 yards. Lopez made a TD and Batts made a 2½ yard TD. Rogers scored three TD's.

Game 7 47-0 Carl Hayden

Rogers rushed for a record-setting score of 358 yards in 26 carries and scored six touchdowns with the help of the fine blocking of his teammates.

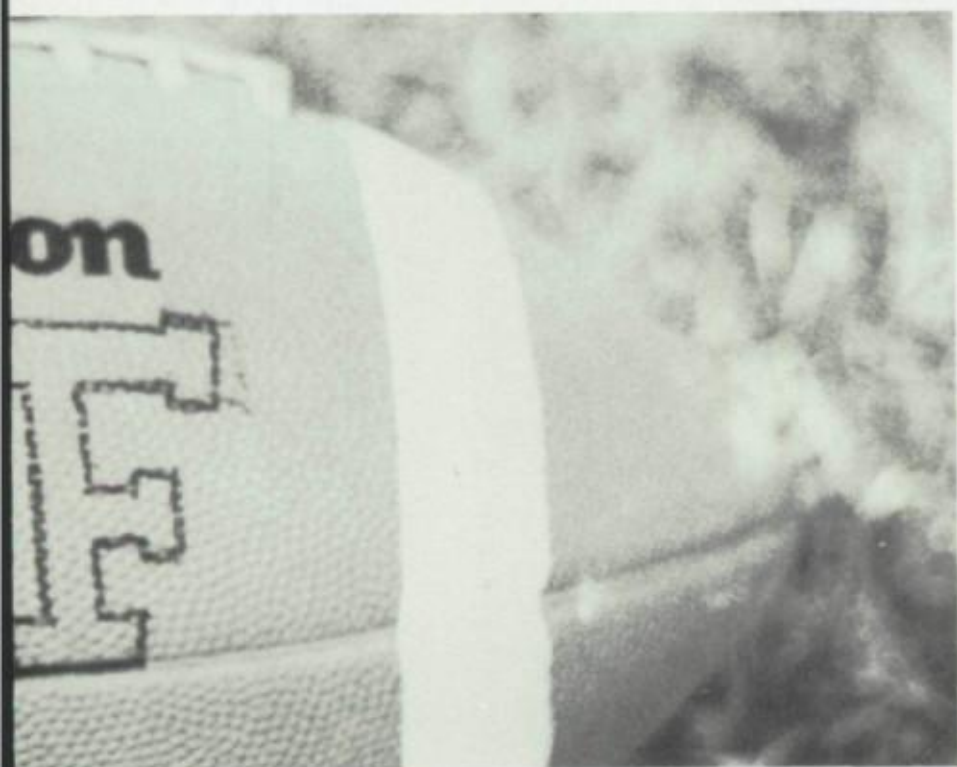

Game 2 7-7 Thunderbird

Rogers scored the only touchdown for the Owls against Thunderbird High. The game, which was Agua Fria's first home game of the season, dropped the Owls ranking to No. 9 in the state AAA division.

Game 3 34-14 Cactus

Gilbert threw his first TD pass of the season, a 37-yard fourth-down prayer to Cloyce Lamb. Rogers ran a 92-yard kickoff return.

Game 4 13-6 Trever Browne

McDaniel grabbed three passes from Gilbert. Batts gained 13 yards on the first down and Gilbert then carried it over from the one yard line for a TD. Gilbert ran 63 yards and passed 130. Lopez ran 63 yards, Rogers rushed 70 yards.

Game 6 27-0 Casa Grande

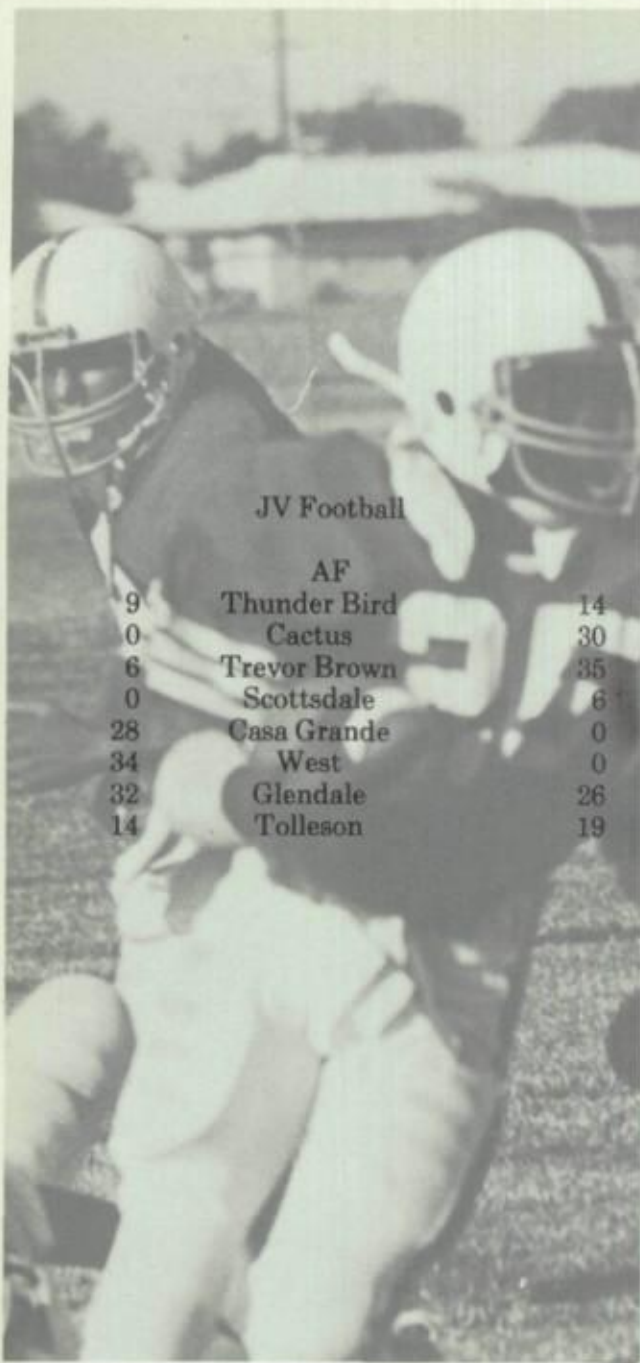

Rogers bolted through the Cougar defense in a 54 yard dash to score the first TD. Twenty-one seconds into the second quarter, Rogers completed the second TD. McDaniel received a TD pass from Gilbert and Lopez made a 60 yard rushing TD.

Game 5 19-14 Scottsdale

Late in the first quarter, Rogers scored for a TD and Early made the extra point. Rogers sparked 34 yards to the one yard line in the winning drive and Lopez scored the winning TD.

As the poms made their entrance on the field for the first football game, the crowds reaction reflected different opinions. Instead of the traditional poms in their red and white polk a dot dresses, they appeared as the new Agua Fria Dance Corps. Through rain or hail, intense heat or cold, they would be out there cheering with red faces and sore throats. Who had that much school spirit and dedication — none other than the Agua Fria Cheerleaders.

Soon after tryouts were over, they began to practice twice a week during the summer, learning the old chants and inventing new ones. "This hard practice paid off at camp, when we received three superior ratings. Also, during the summer we had a car wash, which paid for our school spirit outfits," said Carrie Corbett.

At the beginning of the school year, twenty freshmen girls tried out for the cheer line and only nine made it. Through the year, their job was to keep the school spirit flowing down at North Campus. "They had pep assemblies before the games to get the class rowdy," said Kelly Chandler. They sold spirits pins to help pay for their cheer outfits. "The girls made new friends and enjoyed Mrs. Pfiffer", said Kelly Chandler.

This year's junior varsity cheer were kept busy throughout the year. They made posters for the J.V. football games and participated in the pep assemblies. "Throughout the year, we became closer and made new friends", said Tina Wingfield.

According to Mrs. Schlensig, J.V. sponsor, "They got off to a rough start, but they came a long way and ended up doing extremely well."

Girls golf take 5th

Girls Golf is often overlooked because it mainly takes place far from the school. The girls had a 6-3 record and placed fifth in State.

High individual honors went to Carrie Rice, who placed 10th in State and Shelly Mays, who placed fifteenth.

The team was made up of juniors which included Teri Cooper and Kim Barber, and one sophomore Kim Hayes. With all these members returning next year, the outlook is good.

Boys follow through

Under the direction of Coach Wayne Bateman, the boys' golf team finished the season with a 5-8 record.

The five man team consisted of Dan Cano junior, Mark Scott and Charlie Kimes, sophomores, who all lettered. "Mike Sweeting and Mike White played exceptionally well, making the top two players" said Bateman.

Teamwork means strength in volleyball.

"The girls varsity volleyball team this year was a learning experience," said Marcia Lopez. "The team was young and aggressive," said Christina Morales. They only had two returning players, so they are planning on a strong team next year. The outstanding player was senior Sandy Harbert and the most improved player was sophomore Debbie Rickel.

The Boys Cross Country season for the 1982/83 year ended up with a record of 1-12, in the Metro League.

John Barton, most valuable player, placed consistently well in all the races. "There were other great improvements in the performances of the other team members," said Coach Smith.

According to Chip Goodall, "Even though we had a losing season we had a lot of fun and became closer. Coach Smith is a great person to work with, we all appreciated the time he spent with us."

Badminton finish 6-5

The Badminton team had a close winning season with a respectable 6-5 record, and placed fourth in state.

"Jackie Sainz, senior, also did exceptionally well in doubles," said Coach Hopkins. Other fine players included Norma Lowe, Kathy Humprey, Kristen Schwartskopf, juniors, and Tina Dominguez and Lisa Cooper, seniors.

Boys start with a splash

The boys Varsity Swimming team did it again this year and made the school proud, with the record of 9-1. "This year the swimming program has quality freshmen swimmers who have generated a new interest in promoting training, competition and swimming excellence for the entire team," said Coach Himebaugh.

Diving, which had been cancelled last year, was brought back this year. Eddie Morton placed fourth in the Diving Event and Jim Ellis qualified sixth in diving for a place at State. Cam McCown set records in the 200-yard Individual Medley and the 100-yard Backstroke events; Tom Rosztoczy won the 50-yard Freestyle and the 100-yard Breaststroke; Doug Nelson set two Divisional records by winning in record times in the 200 and 500-yard Freestyle events, while Kris Mineau won the 100-yard Butterfly in record time and the Freestyle relay team also won a place at the State Meet.

The Boys won the Metro Divisional Championship and the medley Relay team took fourth place at state.

The girls Varsity Swimming ended their season, with a score of 6-4. This year, the boys and girls were combined together, and the season was longer. The coach for the boys was Tony Evans and the coach for the girls was Dick Himebaugh. Stephanie Miller, a third year returning Varsity Letterman said, "we had fun at practices with the boys and there was more school spirit this year."

The girls placed fourth in their Divisional Championship. Julie White placed fourth in the 200-yard Individual Medley and third in the 100-yard Breaststroke. Other girls who had been selected for their performance to attend the State Championships were Jill Bringer, Tiffany Morrissey, Debbie Putnam, Pegeen Tebbe and Debbie Van Buren.

Varsity does it again

Agua Fria's Varsity Basketball team opened its season on a sour note as they were defeated by Paradise Valley. The visiting Owls played an opening game with numerous turnovers, poor shooting, and ragged play. With four key players from football having only one week of practice, the Owls struggled in the first game.

The Owls ended their season with a 16-10 record. Agua Fria used balanced scoring and various plays to wear most teams down. In almost all the games, players such as Randall McDaniel would continually score in double figures. Also, senior Keith Carrigan often dominated larger opponents inside on his way to double figure averages in both scoring and rebounding. Sophomore David Solis was another bright spot, providing both scoring and rebounding with consistency.

The Owls won the Christmas Classic and Randall McDaniel and Mike Horner were named to the All-Tournament Team.

J.V. Players: Talented Young

The 1982-83 Agua Fria J.V. basketball team blended a mixture of youth with experience. For the past 26 years, Mr. Wayne Descombes has led the J.V. Owls to numerous victories. This experience combined with eight sophomores, three of which comprise the starting team, and four juniors.

The new season was equipped with

overall team speed and quickness, strong outside shooting, hustling defense and genuine desire to win. With these in mind the owls were confident going into the season.

J.V. often the preliminary to the varsity games, provided excitement for all who attended. The owls compiled a — record. With potential the J.V owls look promising in the future.

The 1982-83 Freshman Basketball team blended a mixture of youth and talent. The season was marked with some tough, hard played games. The freshmen had taken on a new look which consisted of overall team speed and quickness, a strong outside shooting game, a hustling defense and a genuine desire to win. With these points in mind, the freshman team ended their season with the score of 15-1. With the maturity and experience of another year or two, these young men will develop into a fine team.

Team Work Pays Off

Hitting, fielding, and pitching are the main attributes in baseball, but softball relies on the same three aspects. The 1983 season of the girls softball team was full of enthusiasm, and as Coach Bob Gray said, "ability."

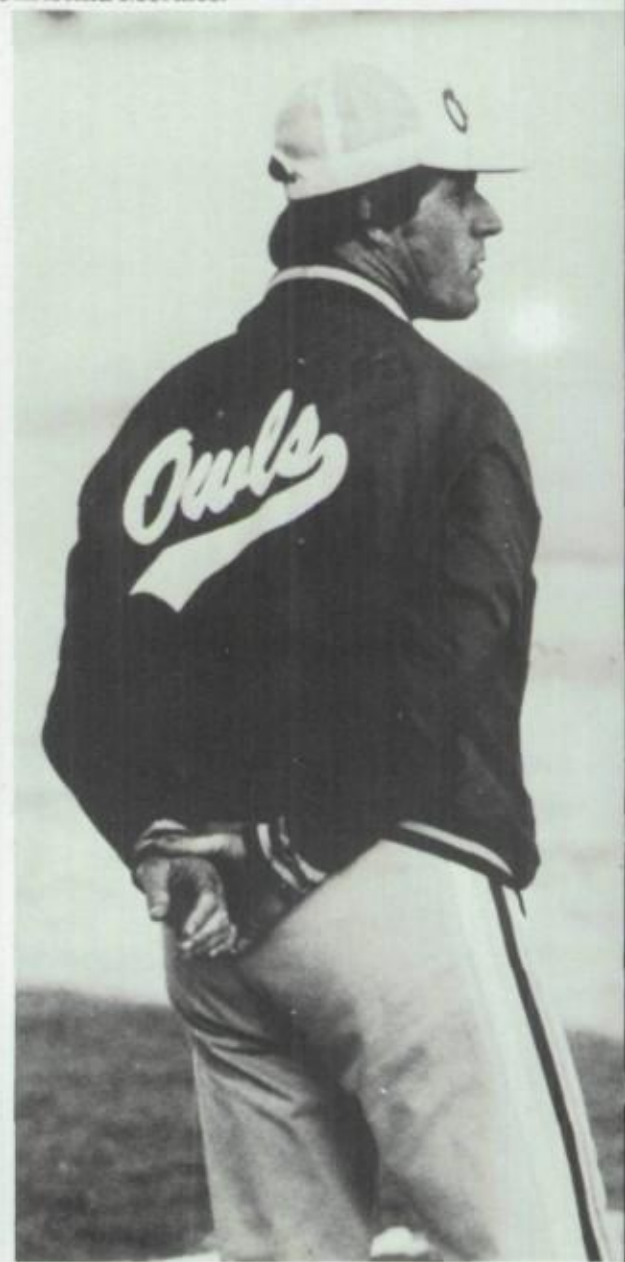

Many individuals including Lisa Cooper and Christina Morales batted well for the Owls during the season. Shelley Mays as well as being a fine hitter, pitched the team to victory after victory, ending the season with a 12-11 record.

Girls sports have progressed phenomenally in the decade since Agua Fria opened. One sport that contributed a great deal was softball at both the Varsity and Junior Varsity levels. Not only did softball pave the road for a strong girls sports program, it also gave many girls the opportunity to excel competitively.

Coach Crystal Stephens stated, "they were the best JV ball club I've ever seen, we ended the season with a record of 15-1."

Boys' and Girls' Track require stamina

"The 1983 track team season was very promising. We had many talented runners returning." Stated Mr. Bob Grey coach of the track team. The boys team consisted of 70 to 75 members which showed great improvements as the season went on.

Among the returning was George Batts. George was ranked third in state last year in the 300 meter hurdles. George also participated in the long jump and relays. Another outstanding sprinter was Vince Lopez. Vince ran the 200 meter, and 400 meter dash. He also ran on the relay team which had an outstanding season. Other returning were Kevin Daniels and Henry Buckson. The distant runner for the season were Mike Moore, Robert Loy, Doug Delong, and Tom Brittain. Guillermo Zuniga, Jim Van Trump, and Shane Arnold did well in the shot putt and discus events. Russel Fryman, Henry Buckson, and Billy Blackburn dominated the High Jump and Pole Vaulting events. "New members to the team that were expected to do well is Cush Johnson, Tim Wiley and Randal McDaniel" stated coach Grey.

Returning letter people for the girls this year were Jill Bringer, Michelle Quickschiber, Anne Erickson, Edie Altizer, and Mary Jo Lorenz." "They had a small number of talented girls this year but could have used more," stated Mary Jo. Mrs. Conway was the coach for the girls this year. The girls meets will be combined with the boys this year.

Student council foundation of campus activity

This year as in past years, the Student Council was the backbone of campus activity. They sponsored such things as Homecoming week, the Christmas Formal, and many other major activities on campus. This year as the officers and representatives changed, so did the advisers. Mr. Given took over as adviser this year replacing Mr.ENZ.

Jill Bringer Student Body President, said, "Mr. Given has been a pleasure to work with, and if it wasn't for him we wouldn't have been able to do so much.

To start the year the members attended a Leadership Training Conference. During this conference, the members attended workshops that taught them how to be good leaders. They learned the essentials of good communication and the importance of cooperation.

R.O.T.C reports another top flight year

This year the Agua Fria R.O.T.C. had another outstanding year. Under strong leadership from Colonel Lorenz and his cadet staff, this year has been a complete success. The Drill Team had another award winning year at state meets. And the Color Guard performed exceptionally well at games and pep assemblies.

For those who are active, the Hiking Club and the Frisbee Club are the clubs to belong to; and if you are a bookworm, naturally, you should be in the Book Club. If prestige is what you want, make sure you are in Interact. And for those who want to work, become a Cafeteria Worker. All four clubs kept active this year by hiking, throwing, reading, offering community services, and serving food.

A.F. history made by club, chess achieves new strategy

Chess club was formed to give students interested in chess a chance to play against other students at school. They did not play any other school this year. "The club provides a chance for students to be with others that share their interests," said Roger Dehoog. A small, yet active

History Club went to A.S.U.'s Department of History for an all day field trip. Professor Ron Smith talked to the club about the history of monks during the Dark Ages. As Mitch Cornell stated, "The history club give you a chance to learn about things you wouldn't in a high school classroom."

Letter perfect concessionaires

The Letter Club is a longstanding tradition at Agua Fria. Students who have lettered in a sport or other activity are invited to join the club. Each year, Letter Club members sell snacks at the football games. This year members also sold programs. As one member stated, "It's a privilege to be a part of Agua Fria tradition."

D.O. offers students jobs, community served by Key Club

For any student interested in work experience during high school, DO is the organization to belong to.

Mr. Hagerman supervises the DO program. Students attend school during the morning and use the afternoon for work experience, receiving credit for sixth and seventh hour.

Although it is possible to be placed in a job after joining

DO, those who already have one are accepted first.

Among many community services, the Key Club sponsored a dance for Cerebral Palsy and put forth their efforts for the Far West Special Olympics.

On April 14, 1983 the Key Club attended the annual South West convention held in Phoenix.

To the graduating class of nineteen eighty-three

We can recognize the graduating seniors of nineteen eighty-three for what they have accomplished and what they have yet to finish. They have accomplished the task of earning a piece of paper that yellows with age and ties together yesterday and tomorrow with a red ribbon of memories. They have yet to finish the task of learning. With eight years of preparing for high school and four years of preparing for college, we see these young people enter a never ceasing life of learning. They will learn by loving, hurting, seeing and experiencing. Through these experiences they will have the opportunity to seek and to find themselves. Experiences are self perpetuating as it is through others we experience. Congratulations to the class of nineteen eighty-three for a job well done!

Juniors . . . third time up

This is the third season that the juniors have had the opportunity to perform before an audience of peers. Performing comes easy for the junior class because, "They're a great bunch of kids, with lots of ambition" declared Mr. Arley, junior class sponsor, and also as Stacy Marler, a new student, added "They're friendly and easy to get along with."

Their biggest production this year has been the traditional candy sale. Juniors were to be found all around the campus selling Crunch, Crispy-Nut and \$100,000 chocolate candy bars.

In early October, juniors gathered around the front of the O.K. Fulton gym to choose and purchase class rings. There was an abundance of colors and styles to choose from, yet, many of the students chose to have their birthstones and names engraved on their rings. Later in the month, juniors began preparing themselves for yet another tradition at Agua Fria, Homecoming. This is an event that every junior becomes actively involved in. According to Gaylene Moyers, junior class president, "Our class worked hard and put a lot of effort into our float this year, although it didn't place as high as we thought it should. "The float, The Jungle Book, placed third in both school competition and in the Billy Moore Parade competition. Overall, juniors placed second in class competition.

During the month of April, juniors began preparing for the junior/senior prom. The prom which was held at the Arizona Club, has always been put on by the juniors in honor of the seniors.

Soon after the prom, juniors anxiously look forward to the end of the school year, yet, during the summer, they will anticipate their last curtain call.

Sophomore involvement peaks at homecoming

One of the most difficult tasks facing any sophomore sponsor is trying to get the sophomores involved and pushing forward on their three-year journey to graduation. We spoke with a couple of this year's sponsors, Mrs. Akin and Mrs. Graziani. Mrs. Akin said, "The sophomores are a great bunch of kids." "These sophomores always have a comment; they always have something to say," stated Mrs. Graziani.

The sophomores did get involved this year. In homecoming class competition,

the sophomores came in second with their float, "Alice in Wonderland," and fourth in overall class competition.

Last year the sophomores had the run of the north campus, but this year, at the south campus, they got to be with the upperclassmen.

Kristin Shears said, "I like it a lot better, and I get to meet more people."

Most sophomores agree that this year will be their best year yet.

Baby owls swoop, enthusiasm shows

The Baby Owls of Agua Fria proved that they're ready to fly by their spirit. Mrs. Conway, the freshman sponsor, had quite a bit to say about this year's class. When asked about the enthusiasm, she replied, "They're a good class, they're hard workers and they have a lot of spirit and pride.

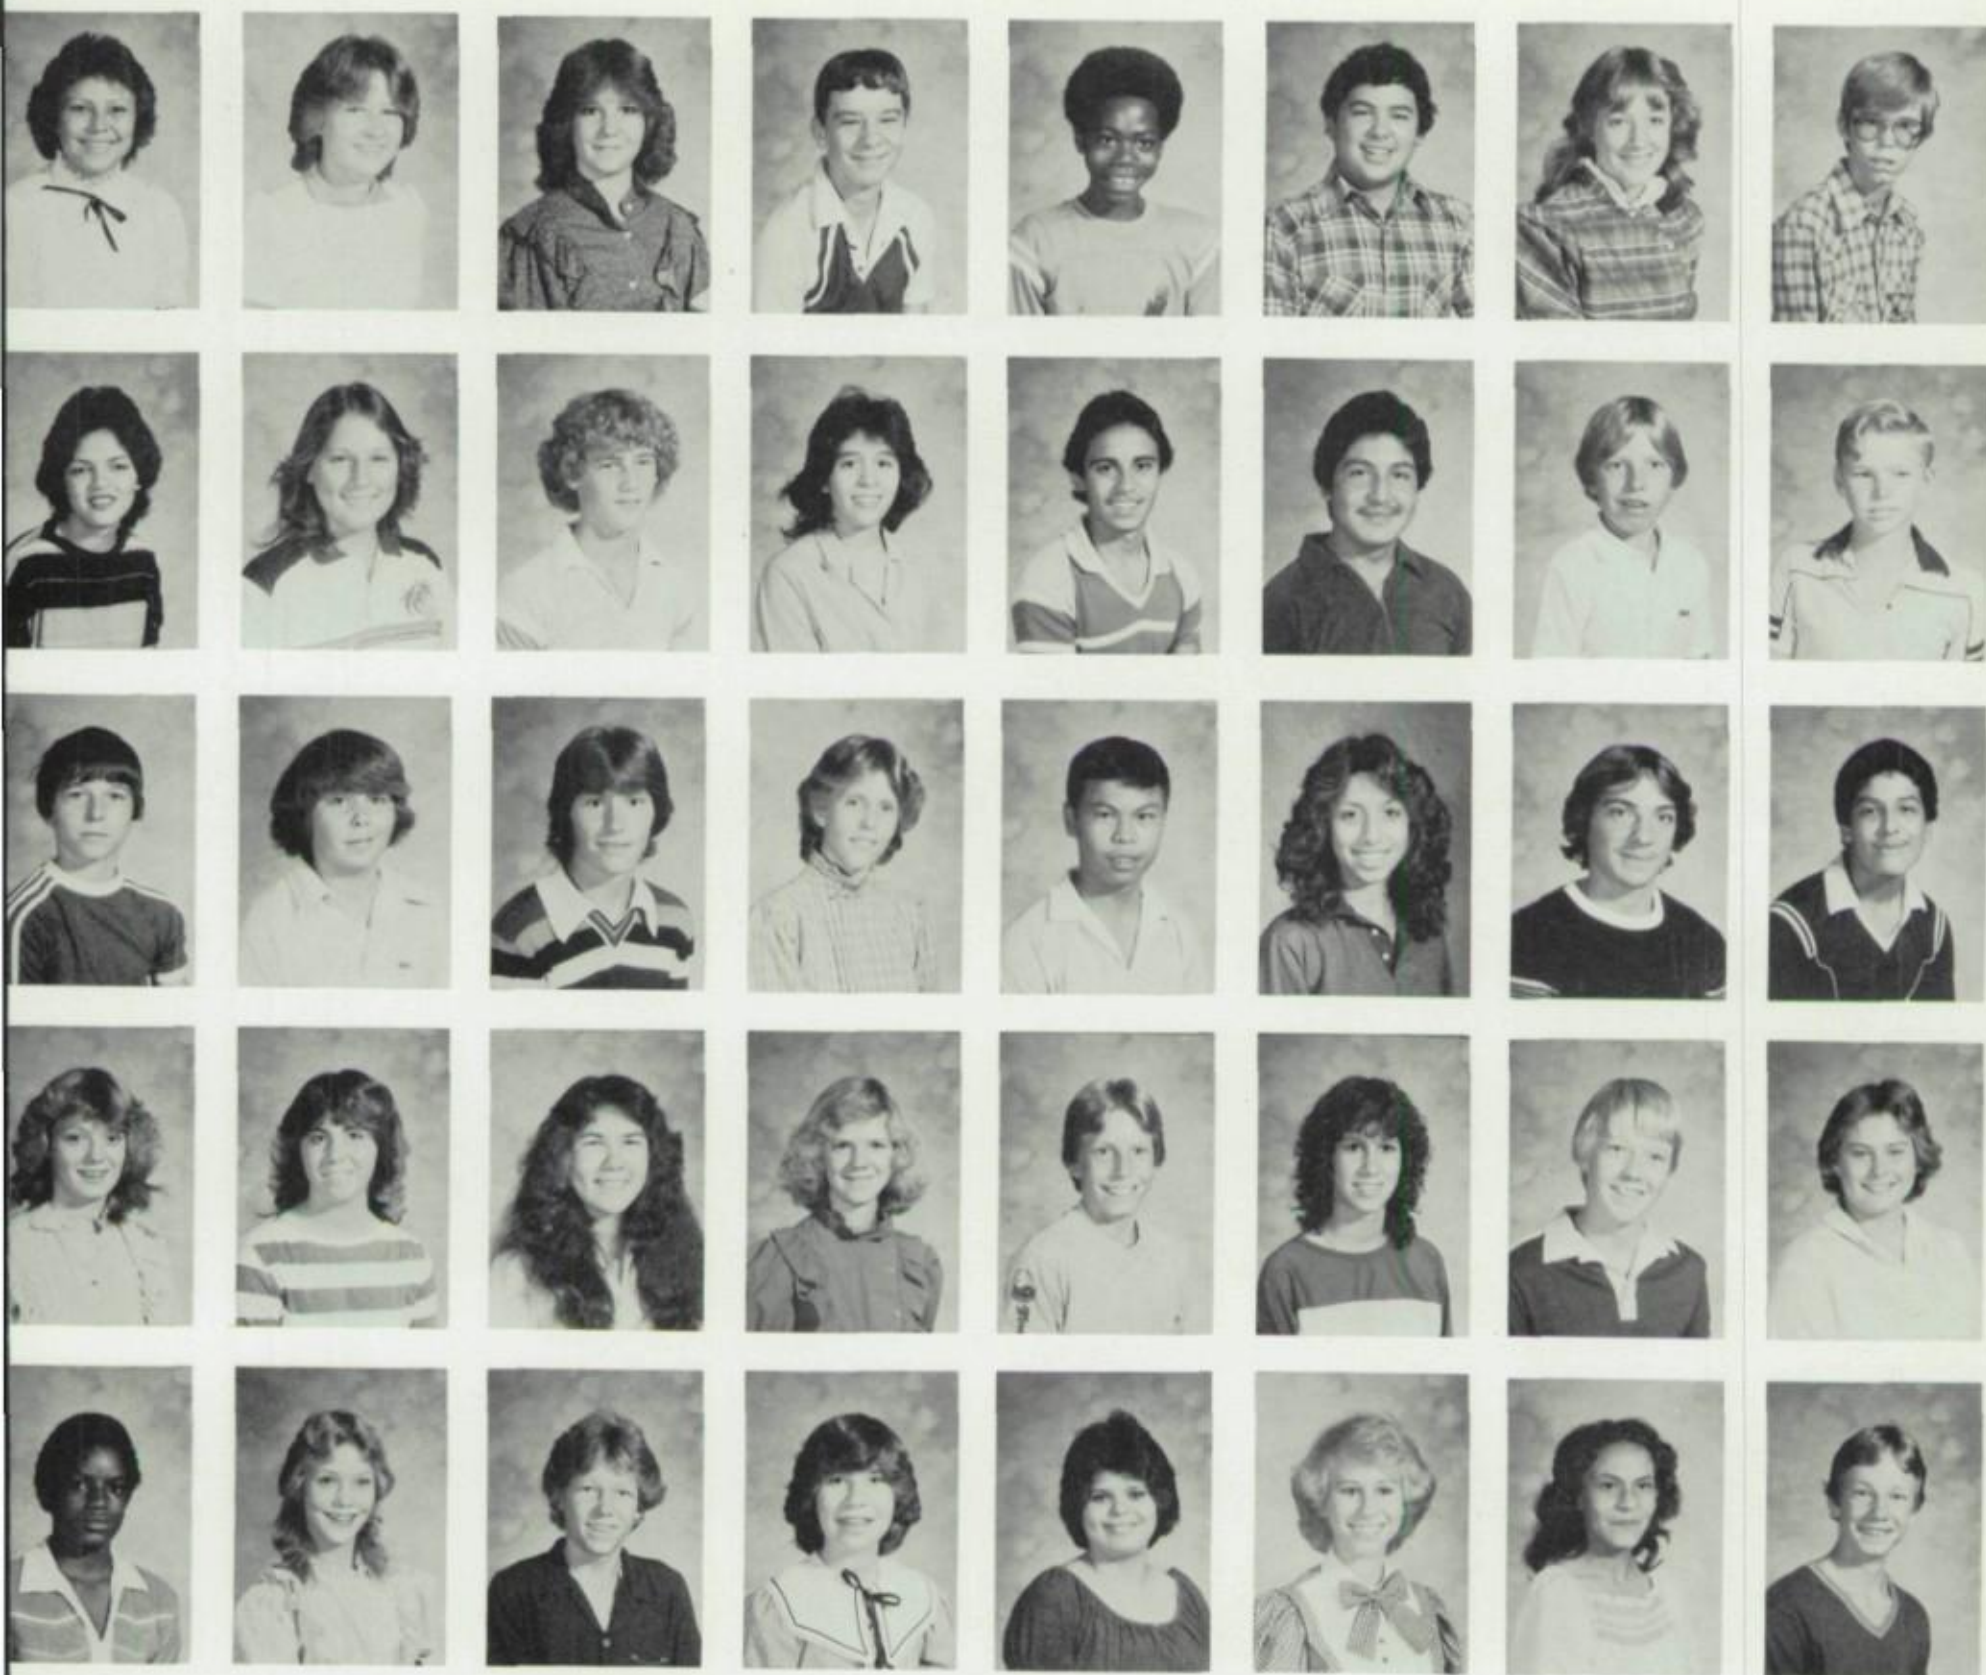

Yes, our freshmen have made quite a statement this year as their float took first place at homecoming. In accordance with this year's theme, their float was taken from the book, "Clash of the Titans." It featured a horse with moving wings.

The beauty of the freshmen really showed this year and we can proudly say, fly Baby Owls, be free to show your spirit.

Faculty, Staff Backbone of AF.

Those of us who have been at Agua Fria for four years can look back and remember those teachers who have made a permanent impression on our lives," commented Shari Hayes. This is because of the strong bond between teacher and student. That bond will carry on throughout the years and will be passed on to future students and new teachers beginning at Agua Fria.

As another student, Tom Kirsch, added, "Tradition at Agua Fria has always been a very important asset in the orientation of new people." Teachers are no exception. This year's new teachers were, Mrs. Linda Anthony, Mr. Brian Bogen, Mr. Buddy Deimler, Mr. Frank Dudley, Mr. John B. Fink, Miss Debi Raffin, Miss Mary Ruben, Mr. Rick Spears, Miss Crystal Stephens, Mr. Jim Dawson, Mrs. Lynda Arnold, Mrs. Connie Cooley, Mrs. Susie Saufley, Mrs. Joyce Hogan & Mrs. Carol Ray. We welcome you all and hope you enjoy being an Agua Friar!

Administration

AF's Leaders

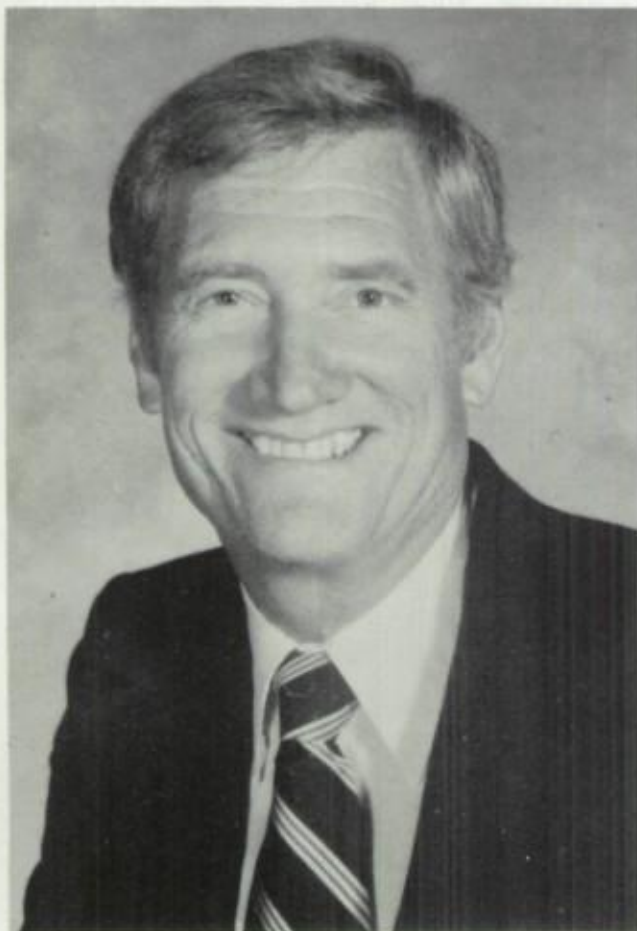

When we hear the word "administration" what usually comes to mind is advice, guidance, leadership and most of all discipline. In our administration all of these qualities are found.

They use their knowledge and experience to guide students in the right direction and lead them toward successful and productive lives. They use their discipline to reform students and send them into the demanding world we all enter after high school.

We students at Agua Fria thank you, the administration, for your help and understanding. We hope you are as proud of us as we are of you.

Mr. Duane Given
Principal/South Campus

Mr. O.K. Fulton
Assistant Principal
Athletic Director

Mr. Don Enz

The Final Act

Paul West waits for the big moment.

The students at Agua Fria Union High School have gone through a number of different changes in clothes, personality and attitudes. However, one characteristic which has always stood out in our school is school spirit. Pep assemblies, wearing red and gray, spirit week and attending games are just a few examples of how "alive" we are.

Pep assemblies bring out spirit.

Maryann Silva chugs away.

The varsity football team gets everyone spirited for the game against Trevor Browne.

Offstage performances

Throughout the year there have been many students who work after school or during school with the Diversified Occupations Program. These students not only need to maintain good grades at school but they are also required to

show good performance at work. As Mr. Fulton said, "I greatly admire students who work and are able to keep a good grade point average, particularly when working is a necessity."

The uniform says it all for Junior Molina.

Eric Marchetti and Chris Ayres work busily at Luke AFB Commissary.

Gifts III supports Denise Stupka's gasoline bill.

William May enjoys working at the Agua Fria Garage.

Skip Trotter cleans the vats at McDonalds.

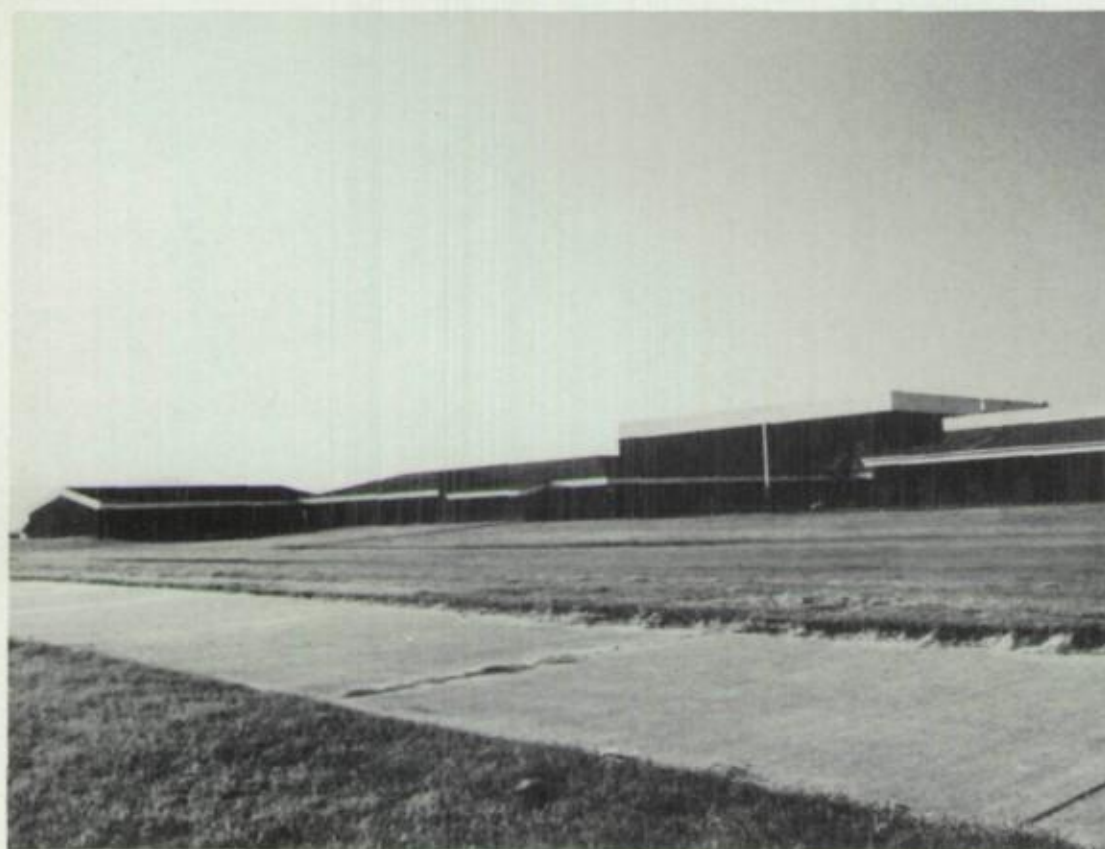

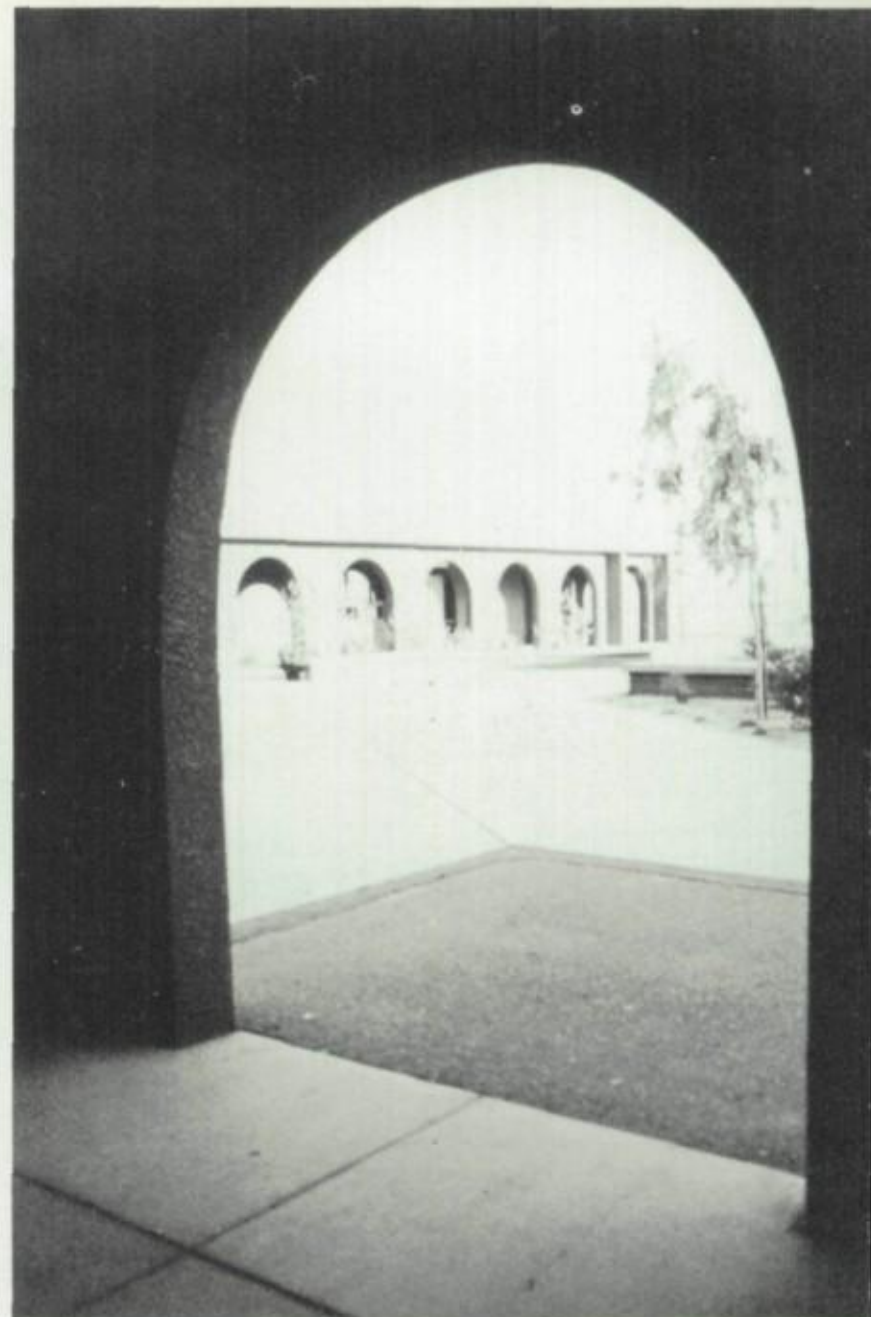

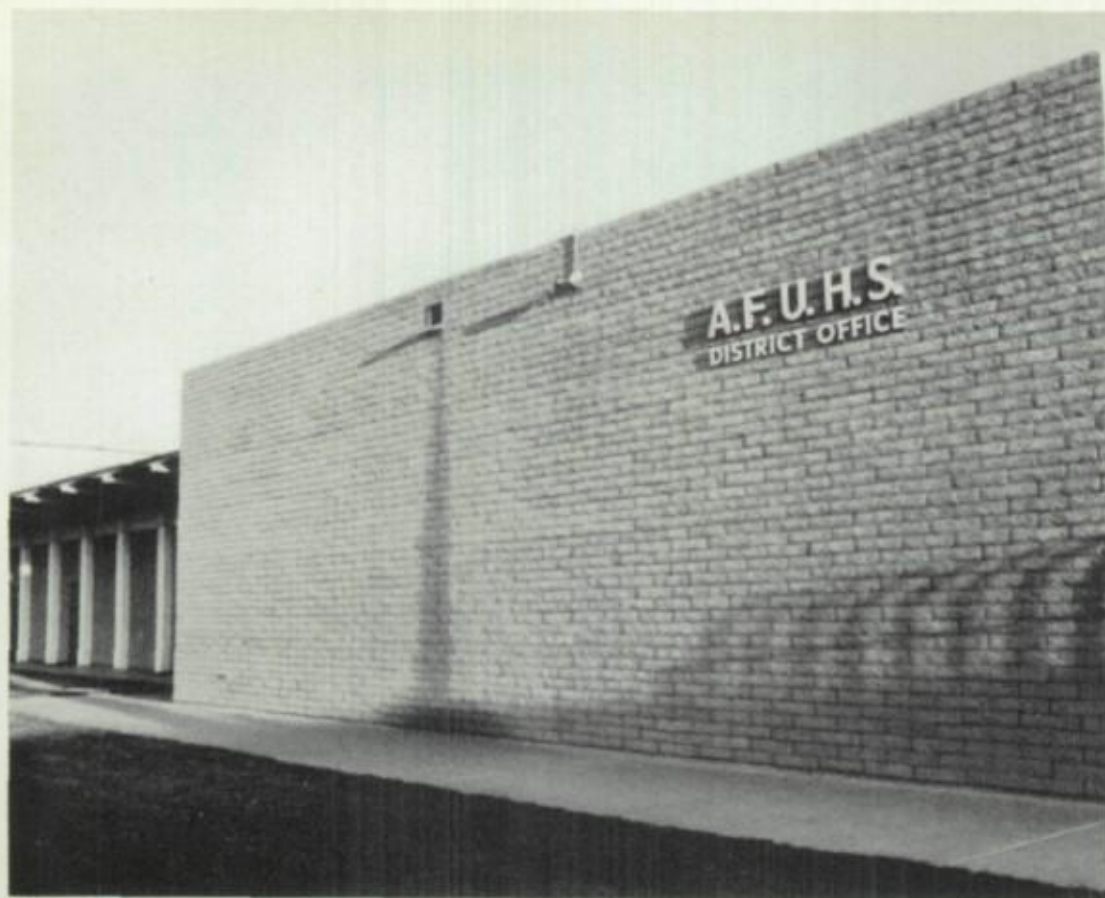

After school, Paula Quiggle works at Sunvalco.

Pam Riggs keeps busy at the Hallmark Gift Shop.

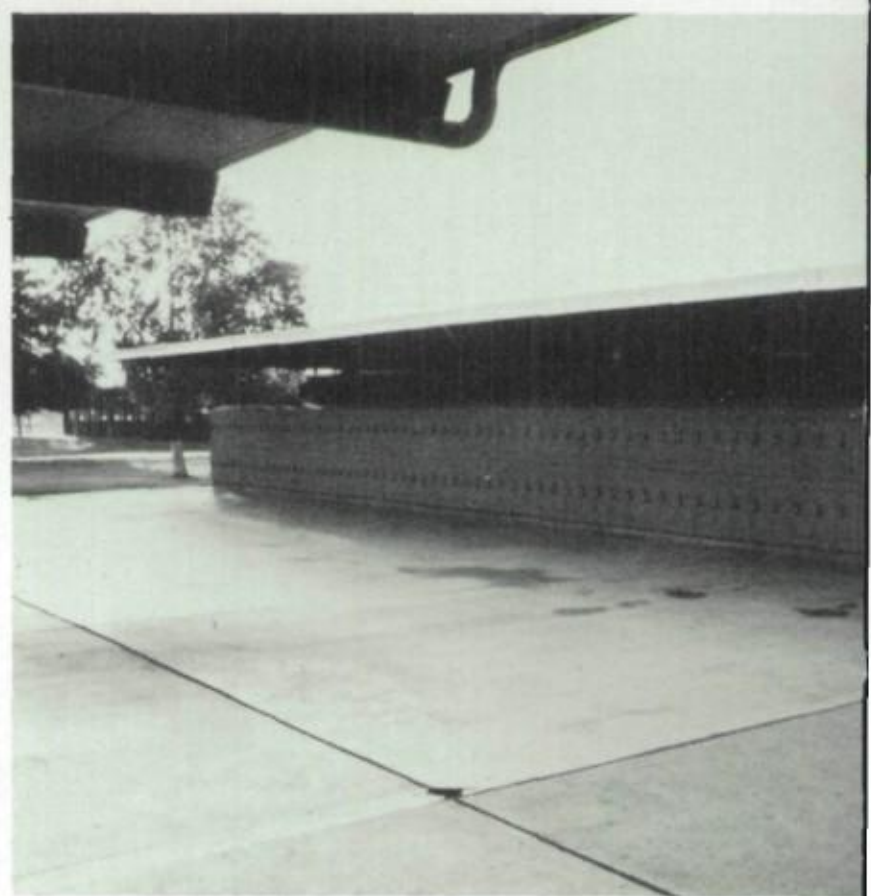

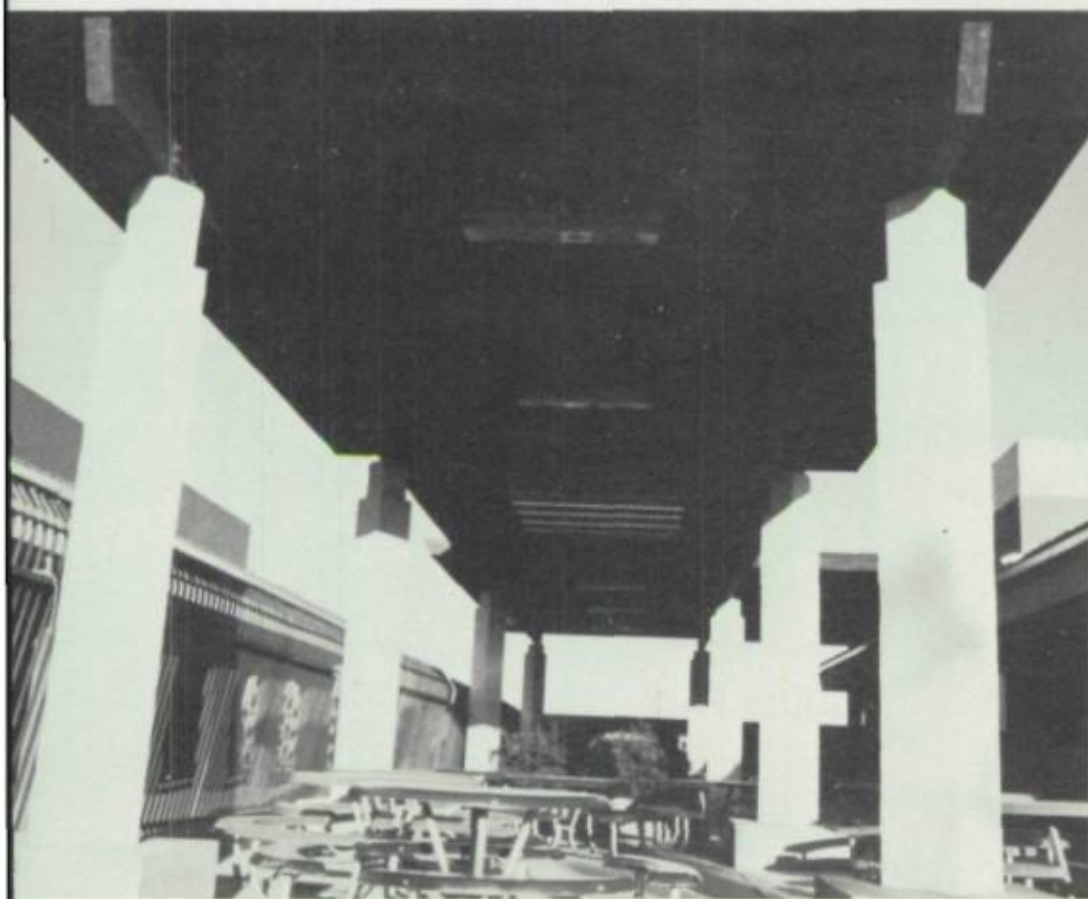

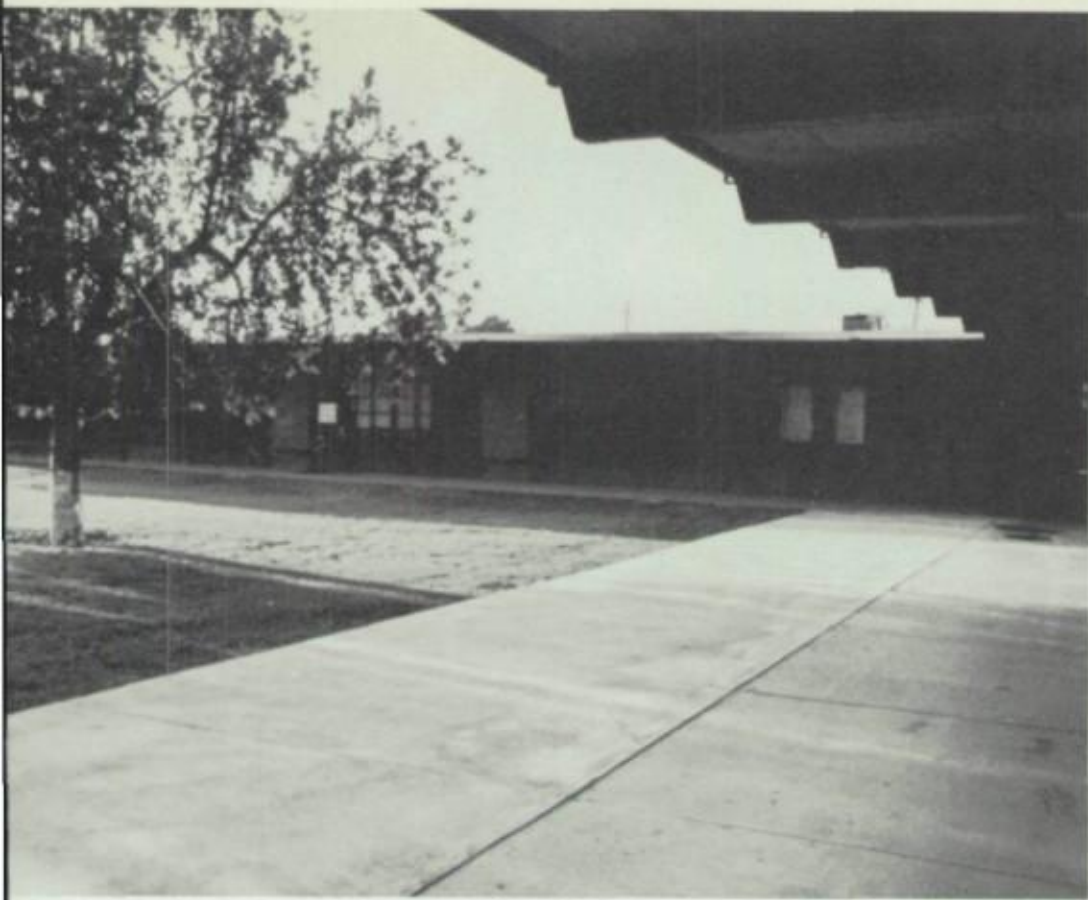

When shopping at Alpha Beta, you will often see Brent Mix.

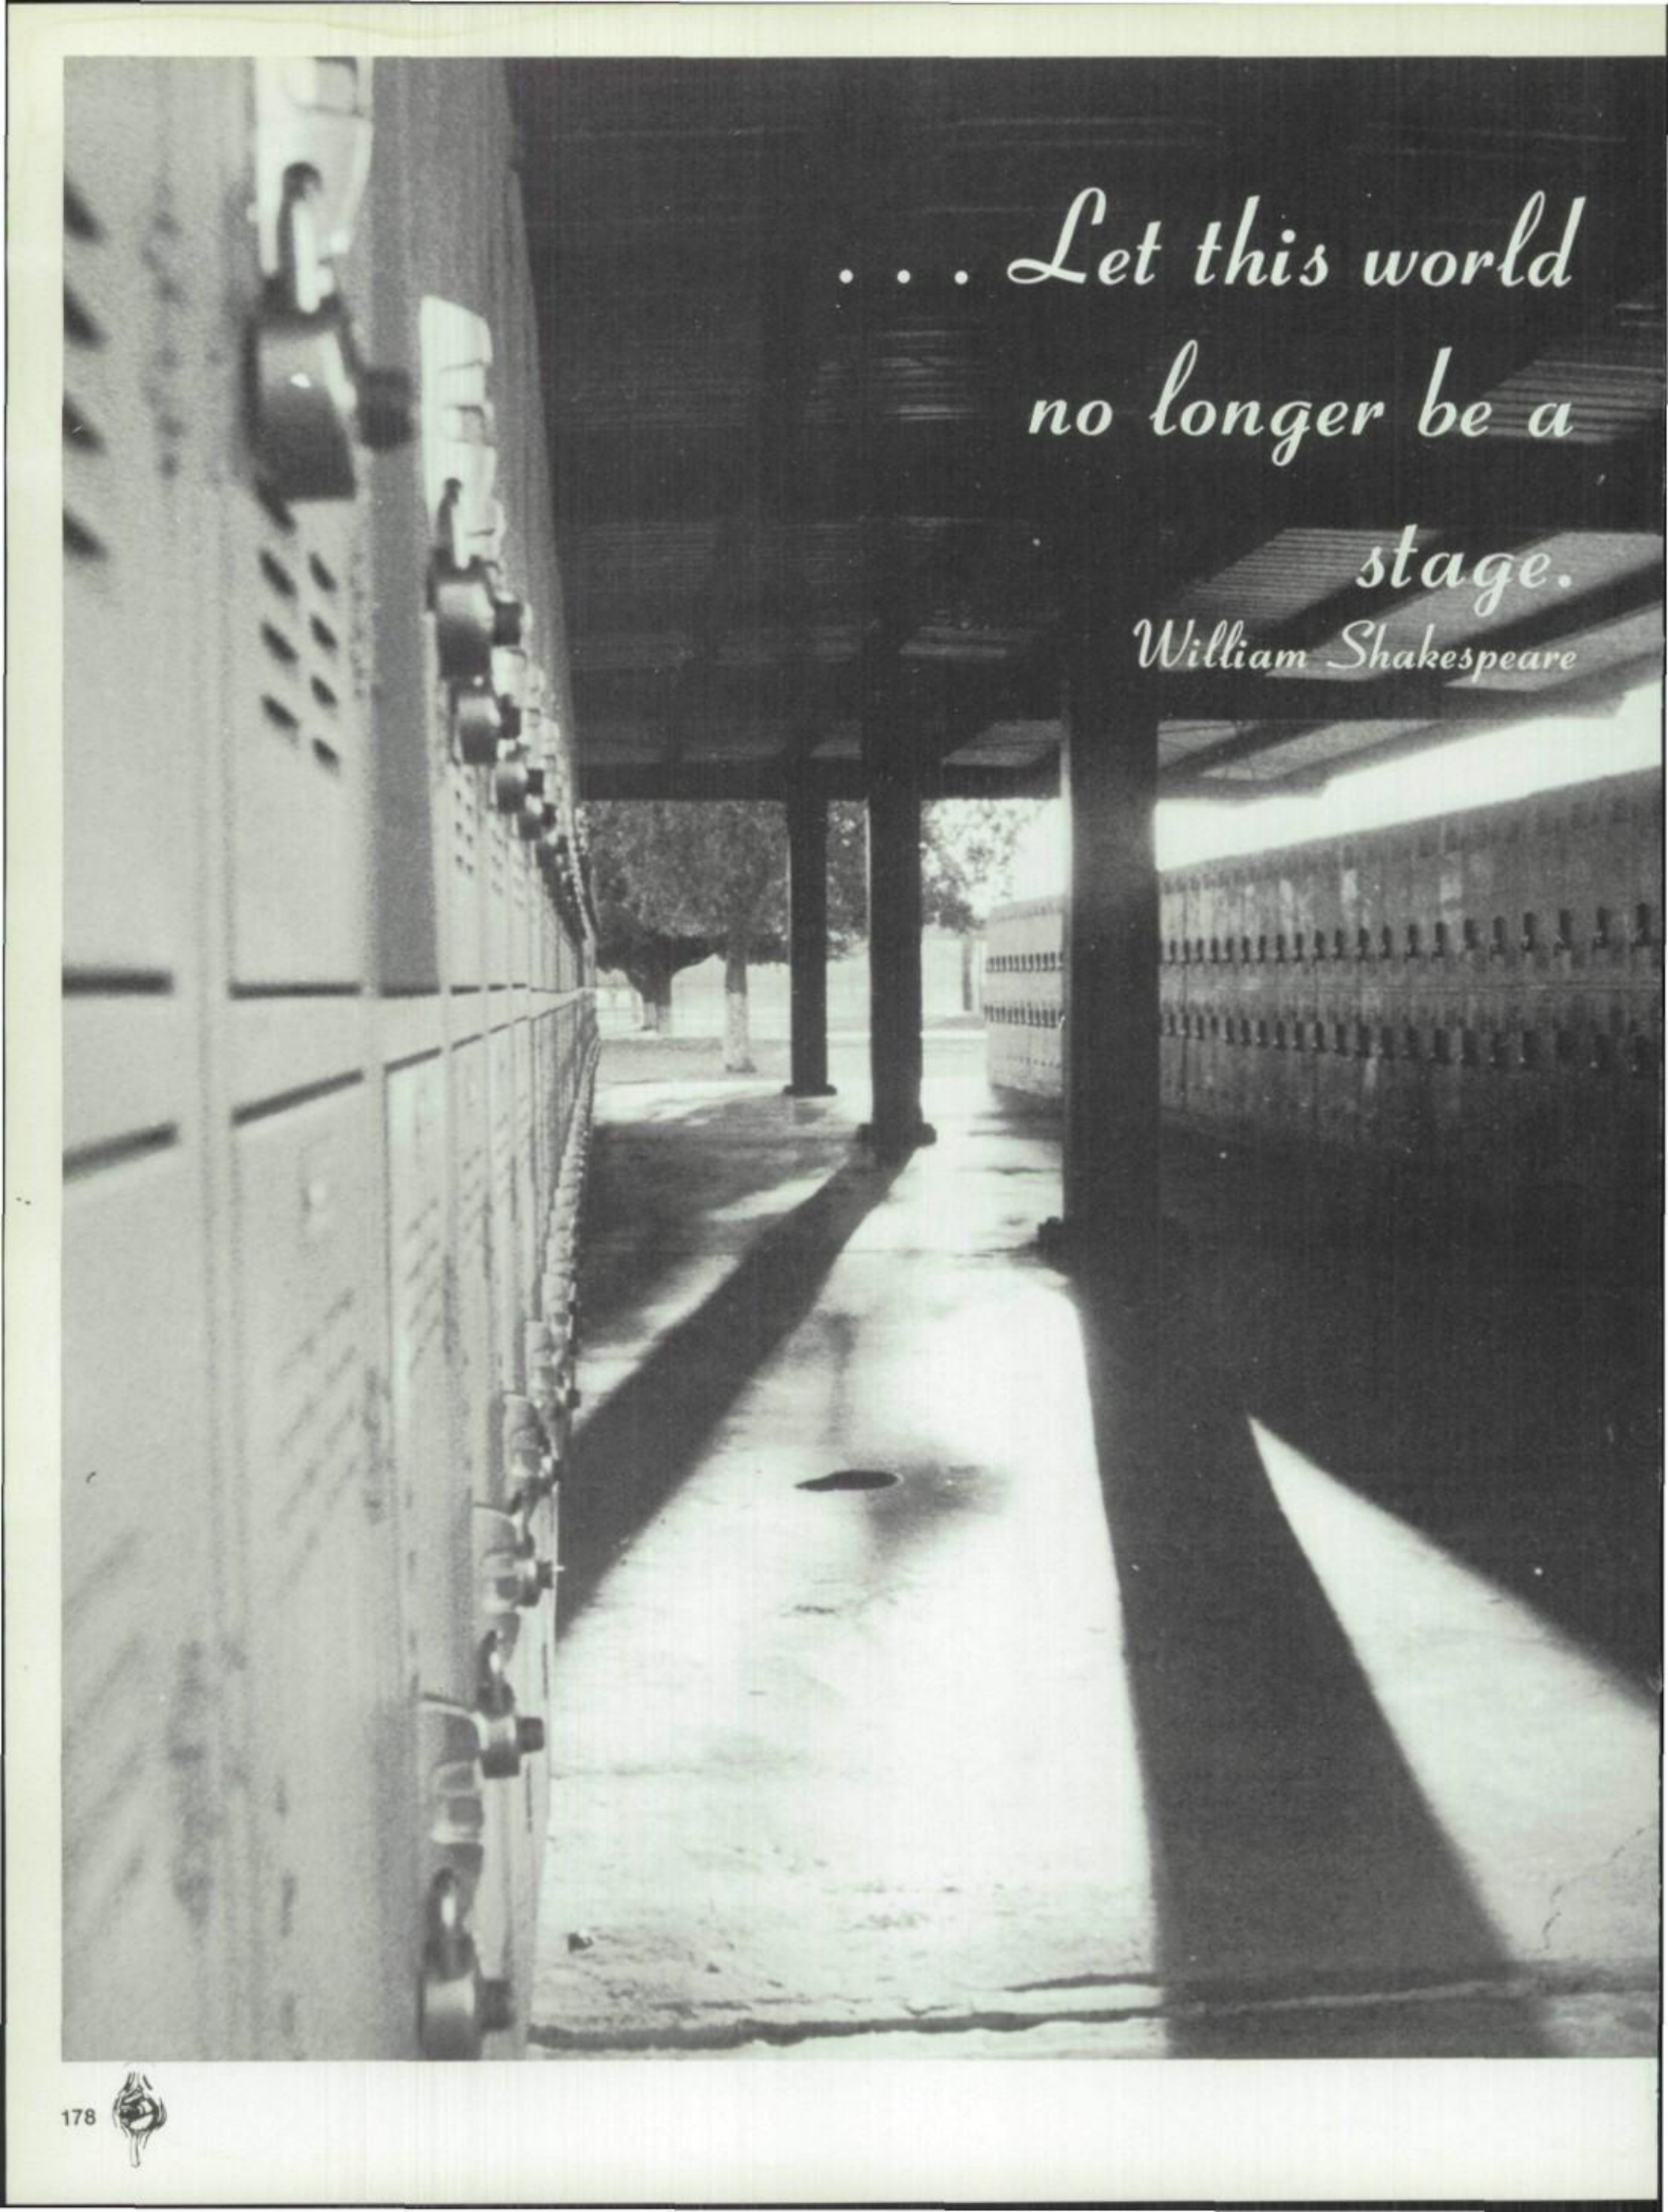

North and south campus alone

How many times have you just sat back and really enjoyed our school? It's not very often that you get to see it without students, teachers, or any other person on the campuses of either north campus or south campus. The north campus of Agua Fria is a new and very modernized building whereas the south campus is an older building which has developed special characteristics of its own. These two buildings have absorbed the spirit of those people which have attended them in one way or another. Maybe that is why Agua Fria Union High School is so "alive"!

Wickiup staff creates record of A.F. memories

The Wickiup staff this year was a little different. For one thing the staff was led by co-editors, Sherri Biringer and Louis Mena. The staff was made up of fourteen wild and crazy people. Everyone on the staff was new to this kind of serious work, but somehow they stuck it out and put together a complete book of the year.

There were times during the year that tried everyone's patience, like deadlines or the lack of photos, but somehow everyone pulled together to complete the book. The hardest thing was waiting for the results at the end of the year.

Co-editors Sherri Biringer and Louis Mena.
